Q: What does the man do when he lies on the ground?

A: He throws a Frisbee and does tricks with a dog.

**Evidence:** visual explanation proves the correctness of predicted answer: the man indeed throws a Frisbee and does tricks with a dog.

Q: Is the man doing sit-ups when he lies on the ground?

A: No.

**Supplementary:** besides a short answer, visual explanation also points out what does the man really do: he throws a Frisbee and does tricks with a dog.

Q: Does the man throw something when he lies on the ground?

A: Yes.

**Specification:** visual explanation elaborates the vague word ‘something’ in question: from the visual explanation we can know it means Frisbee.
